\*CI Trained: To become CI Trained, you must attend the CI Clinic, and complete Making Ethical Decisions requirement(s).

\*\*CI Certified: To become CI Certified, you must attend the CI Clinic, complete the Making Ethical Decisions requirement(s) as well as complete the portfolio and evaluations.

\*\*\* CSI Trained: To become CSI Trained you must attend the CSI Clinic, and complete the Making Ethical Decisions requirement(s).

The following levels must have a CI certified female over the age of 18: U14 AA, U16 A, U16 AA, U19 A, U19 AA.

All teams with players under the age of 18, must have a qualified female team staff over the age of 18 and must submit a Child Abuse Registry for all bench staff listed on the official roster.

Any individual listed as a Trainer on a roster at any level must have up to date STANDARD first aid certification. EMERGENCY First Aid/CPR alone will not be accepted. Medical certification will be accepted based on MRA approval.

Apprentice and Junior Coaches and R4U Squad Support must complete requirements as outlined on the application form.

Managers at the U10 level and the B/C level in all divisions are recommended to take the managers course.

Managers at the U12 division and up at the A level are required to take the managers course.

All team staff staff must complete Respect in Sport, Child Abuse Registry and Bench Staff Code of Conduct.

Child Abuse Registry and Bench Staff Code of Conduct forms are due November 1st annually.

All Coaching Requirements must be completed by January 15th annually.
