Coaches must ensure that PD points are fulfilled within their five year cycle to keep certification up to date.

\*CI Trained: To become CI Trained, you must complete Coach Initiation in Sport attend the CI Clinic, and complete Making Ethical Decisions requirement(s).

\*\*CI Certified: To become CI Certified, you must complete Coach Initiation in Sport, attend the CI Clinic, complete the Making Ethical Decisions requirement(s) as well as complete the portfolio and evaluations.

\*\*\* CSI Trained: To become CSI Trained you must complete Coach Initiation in Sport, CSI Clinic, and complete the Making Ethical Decisions requirement(s).

The following levels must have a CI certified female over the age of 18: U14 AA, U16 A, U16 AA, U19 A, U19 AA.

**All** teams with players under the age of 18, must have a qualified female team staff over the age of 18 and must submit a Child Abuse Registry for all bench staff listed on the official roster.

Any individual listed as a Trainer on a roster at any level must have up to date STANDARD first aid certification. EMERGENCY First Aid/CPR alone will not be accepted. Medical certification will be accepted based on RMB approval.

**Apprentice and Junior Coaches and R4U Squad Support** must complete requirements as outlined on the application form.

**Managers** at the U10 level and the B/C level in all divisions are **recommended** to take the managers course.

**Managers** at the U12 division and up at the A level are **required** to take the managers course.

**Managers** at the U14 AA, U16 A, U16 AA, U19 A, U19 AA and Open Elite will not be permitted on the bench.

**All team staff** must complete Child Abuse Registry and Bench Staff Code of Conduct annually. Respect in Sport is required by all bench staff and must be recertified every five years.
